CATALINA DINING IN CHERRY

Combining the clean, unadorned lines of the International Modernists with organic and geometric forms, the Catalina Collection is suggestive of the works of America's Mid-Century Modern designers. The years following WWII were a time of uncertainty but also of great hope and progress. Designs of the period reflected that sense of hope and the promise of an ideal future. In our current period, one finds comfort and nostalgia in Catalina's retro-modern shapes and sensibilities.

The Catalina Dining Room is crafted in solid cherry hardwood and Made to Order in five finishes* with a variety of knob or pull options. The finish is **GREENGUARD Certified** for low chemical emissions.

*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality.
